# Juhi Rani

Nalanda, Bihar | Phone: 7766043850 | Email: juhirani083@gmail.com

## Profile Synopsis

Results-driven Web Developer with a solid understanding of full-stack development and cloud deployment. Experienced in handling projects from planning to final delivery, with a focus on building secure and scalable applications. Strong team player with the ability to work with different teams to achieve project goals and deliver successful outcomes.

## Technical Skills

**Programming Languages:**

JavaScript (ES6+), TypeScript, SQL

**Frontend:**

React.js, Next.js, Tailwind CSS, ShadCN UI, Zustand, Redux Toolkit

**Backend:**

Node.js, Express.js, REST APIs, Microservices, Mongoose

**Databases:**

MongoDB, PostgreSQL, Redis, Prisma ORM

**Cloud & DevOps:**

AWS (EC2, S3, Lambda, RDS, Route 53), Docker, Kubernetes, CI/CD pipelines

**Other Tools & Technologies:**

Git, Swagger, JWT, WebSockets, WebRTC, Axios

## Projects

**FileMoon – Cloud File Sharing Platform –** Built a secure file upload and download platform with authentication, profile management, and history tracking. Designed scalable APIs using Node.js, Express, and MongoDB with JWT-based authentication, and deployed on AWS EC2 with S3 storage.

**Besties – Social Media & Video Calling App –** Developed friend request, chat, and live video calling features using WebRTC and Socket.IO. Implemented secure authentication with JWT and refresh tokens, and built a responsive UI with React and Zustand.

**E-Commerce Platform with Next.js –** Developed an e-commerce platform with admin and user dashboards, role-based authentication, and order management. Integrated payments (Razorpay) and deployed using AWS.

**School Management System –** Developed a full-stack system with secure authentication, role-based access, attendance tracking, and reporting features to improve operational efficiency.

## Soft Skills

- Critical Thinking
- Innovative
- Collaborative
- Fast Learner
